TEN DAYS OF PRAYER IN THE DIOCESE

When Bishop David was consecrated, he resolved to make prayer a key focus of his first year. Plans were made for 10 Days of Prayer between Ascension Day and Pentecost (21-31 May), in line with the Archbishop of Canterbury's 'Thy Kingdom Come' prayer initiative.

In Down and Dromore, because of COVID19, the Diocese is providing resources for different parts of each parish family on separate days.

The ultimate aim is to encourage the diocese to pray. We hope the information below will make things clear. And Bishop David has given a video message about the plans here
